1.1 University at a Glance

The Banaras Hindu University (BHU), founded by Mahamana Pandit Madan Mohan Malaviyaji in 1916, is one of the most prestigious Central Universities in the country. An autonomous institution of distinction having the Hon'ble President of India as its Visitor, BHU is the largest residential University in Asia. Being a living embodiment of such visionaries as Mahamana Malaviyaji, Dr. Annie Besant and Dr. S. Radhakrishnan, this seat of learning epitomizes a synthesis of ancient wisdom and modern scientific temper. The holistic model of education, conceived and enriched by its illustrious founder, offers refreshingly new perspectives to young minds and nurtures and facilitates their creative talent.

The Founder's Vision :

- "It is my earnest hope and prayer, that this centre of life and light, which is coming into existence, will produce students who will not only be intellectually equal to the best of their fellow students in other parts of the world, but will also live a noble life, love their country and be loyal to the Supreme Ruler."
- "A teaching university would but half perform its function, if it does not seek to develop the heart power of its scholars with the same solicitude with which it develops their brain power. Hence, this university has placed formation of character in youth as one of its principal objects. It will seek not merely to turn out men as Engineers, Scientists, Doctors, Theologists, Merchants, but also as men of high character, probity and honour, whose conduct through life would show that they bear the hallmark of a great university."

The University

This University was conceived as a residential University, keeping in view its objective of complete character development and thorough mentoring of students. Perhaps this is the only University in the world where courses ranging from nursery and primary school upto Doctoral/ Post-doctoral degrees are taught and pursued within a walled campus spread over 550 Hectares (1360 acres) with majestic buildings of great architectural delight. It enshrines within its precincts, a phenomenal range of teaching disciplines incorporating almost all conceivable subjects of Science, Engineering & Technology, Humanities, Social Sciences, Commerce, Law, Education, Visual Arts, Performing Arts, Sanskrit Vidya Dharm Vigyan, Agriculture, Library Science, Journalism and a large number of Indian and Foreign Languages.

3. NOTES RELATING MINIMUM ELIGIBILITY REQUIREMENT

- (i) Candidates appearing in the Final Year of the Qualifying Examination may also apply and appear in the Test. However, the

candidate will be required to produce the original mark sheet of the qualifying examination at the time of counseling for getting admission.

- (ii) Candidates who were **admitted** as regular students to Part I / I-Semester of any of the above courses of study in this University through Entrance Test in earlier years(s) and who were eligible for appearing in the concerned Examination shall **not be allowed to re-appear in the Entrance Test for admission in the same Course with the same combination of subjects, unless specifically permitted by the Ordinance of the concerned Faculty. However, they may appear in the Entrance Test for change of combination of subjects of the same course.** Further, such candidates who were not eligible for appearing in the concerned examination due to shortage of attendance or for not filling the examination form in time, will be allowed to appear in the Entrance Test for that course if otherwise eligible. Candidates already admitted in Part II (III-Semester or above) are not allowed to appear in the Entrance Test of the same course even for change of subject combination.
- (iii) If the applicant has passed the qualifying Exam where grades are awarded and:
- (a) where the Grade Sheet does not mention the equivalent percentage of marks from grade points, the candidate should submit such a Certificate of conversion from the concerned Institution mentioning either the converted percentage, or the formula for the actual conversion of grade point average to percentage of marks;
- (b) where the Grade Sheet itself mentions the equivalent percentage of marks from grade points, or the formula for such conversion, the candidate should get both sides of the Degree/Grade Sheet photocopied showing the equivalent percentage of marks/conversion formula.
- (iv) “**Aggregate** percentage of marks” will **also** include grace marks awarded to a candidate. The percentage of marks in the aggregate will be computed as evidenced from the final marksheet of the qualifying examination. However, in case of graduate examinations, where the final marksheet is of two or more types based on only Honours subject or all the subjects studied in three years, the aggregate shall be computed on the basis of total marks secured in all the subjects studied in three years. For example, in case of students passing BA (Hons.)/B.Sc. (Hons.) from BHU, in earlier years the final marksheets were of two types viz based on only 1000 marks or on 1800 marks. In such cases, the aggregate shall be computed based on total of 1800 marks rather than on 1000 marks. **Further, where final marksheet is based on only Hons subject but the candidate has studied other subsidiary/similar subjects also during the study of course, the marks of these subjects will also be included for computation of aggregate percentage.** Still further, in case of any ambiguity/interpretational difficulties, the decision of the University will be final.
- (v) (a) Degrees/Certificates recognized by Association of Indian Universities (AIU) shall only be deemed as equivalent degrees/certificates.
- (b) The Distance Education Council of Indira Gandhi National Open University (IGNOU)/Association of Indian Universities (AIU) will be the only authority to recognize the Degrees/Certificates of **Distance Education**. Such candidates may be **provisionally** permitted to appear in the Entrance Tests but will be required to submit certificates from Distance Education Council of IGNOU, New Delhi regarding recognition/approval of the courses.
- (c) The courses at the level of 10+2 of Madarsas, recognized by Jamia Milia Islamia, New Delhi (Central University) will be recognized for purposes of admission to BA (Hons) course of BHU.
- (vi) Notwithstanding anything contained in the Prospectus of Studies regarding the Courses in which admission is made through Entrance Test, the eligibility requirements for the purpose of admission shall be only those which are mentioned in the Information Bulletin of the academic session concerned.
- (vii) Application Forms of candidates who submitted forged/fake certificates or adopted fraudulent means shall be REJECTED. Further, such candidates shall be debarred from appearing in any subsequent Entrance Tests conducted by BHU.
- (viii) Candidates are allowed to appear at the Entrance Tests **provisionally** subject to the final verification of Mark sheets/Degrees/Certificates, validity of Certificates/Mark sheets of Qualifying Examination and also of non-involvement in the adoption of unfair means in any of the University Examinations/Entrance Tests held earlier, at the time of admission.
- (ix) Mere appearance in the Entrance Test or securing pass marks at the PET does not entitle a candidate to be considered for admission to the Course unless he/she fulfils the eligibility conditions. **APPLICANTS MUST FULLY SATISFY THEMSELVES ABOUT THEIR ELIGIBILITY AS PRESCRIBED ABOVE, BEFORE FILLING IN THE APPLICATION FORM.**

- (x) If an applicant is inadvertently allowed to appear at the Entrance Test who otherwise does not fulfill the minimum eligibility requirements, he/she cannot, at a later date, use that as a right to claim that he/she meets the eligibility requirements.

The University reserves the right to cancel/refuse admission at any point of time if it is found that:

- (i) Minimum eligibility requirements are not fulfilled.
- (ii) False documentation has been done, or, facts have been suppressed.
- (iii) Any other similar valid reason.

- (xi) **Candidates admitted to any Course in this University shall not be eligible to pursue simultaneously any other full-time Course in this or in any other University/Institution.**
- (xii) **A candidate can apply for any number of courses for which he/she is eligible, provided** the Entrance Tests are on different dates (please refer to the Entrance Test Schedule).

Consideration of Reserved Category Meritorious Candidates as General Candidates:

In a course, if the merit of a reserved category candidate is more than or equal to the merit of the last admitted general candidate in that course, the reserved category candidate will be treated as general candidate in that course. Provided further that if a meritorious reserved category candidate is admitted by relaxing the general qualifying standards (minimum eligibility requirement and/or age) or is admitted to a higher preferred course (allotment of Honours subject, Subject combination, Specialisation, if any) which he/she would not have got by remaining under the general category, then his/her admission shall be adjusted against the concerned reserved category quota and the consequential vacancy created in the general category shall be filled up by a general category candidate in order of merit.

- (iv) 15% seats out of total number of seats in M.P.Ed. are allocated for female candidates. In case any such seats remain vacant, these will be filled by male candidates on merit.

5. SUPERNUMERARY SEATS:

NOTE: Candidates seeking admission on a supernumerary seat under any of the following supernumerary quota shall be required to meet the eligibility conditions as are prescribed for general category candidates for the concerned course.

- (i) **BHU Employee Wards:** 15% supernumerary seats in all the courses (including special courses) shall be available for the sons/daughters of permanent employees (including those on probation) of BHU currently in service or were so during the academic Session immediately preceding the Session for which the Entrance Test is held, provided the candidate fulfils the minimum eligibility requirements and claims that he/she belongs to employee ward category in the Application Form and qualifies in the PET. BHU Employee Ward category applicants are required to submit a certificate issued by the Dy. Registrar (Administration), if called for Counseling. Similarly, 15% supernumerary seats in the Colleges admitted to the Privileges of the University Colleges shall be reserved for daughters of permanent Employees of the respective Colleges admitted to the Privileges of the University girls' Colleges (daughters and sons in case of DAV Post Graduate College) currently in service or during the Academic Session immediately preceding the Session for which the Entrance Test is held.

- (a) employees joining the University on deputation along with the Research Scientists A, B & C of the University; &
(b) wards of the deceased employees and re-engaged/retired BHU employees subject to the condition that the privilege will be available upto the academic year succeeding the year in which the deceased employee would have attained/retired employee attains the age of 65 years.

- (ii) **Paid Seats:** There is provision for supernumerary "PAID SEATS" (not exceeding 15% of the total number of seats) in certain courses, the details of which will be available at the time of admission from the concerned Faculty/Department. However, no such provision is available for Special Courses. The desirous candidates are advised to keep constant touch with the

PET Information Bulletin 2014

Faculty/Department for knowing the detailed position regarding the process of admission under paid seats in the concerned courses, because in some of the courses separate notices are put on notice board for Paid Seats instead of sending call letters to all candidates above as per PET index.

SL.NO.	INSTITUTE/FACULTIES/COLLEGES	SPORTS SEATS (SUPERNUMERARY)*

Highest Sport achievement marks/performance of a candidate will only be considered while counting the sports achievement marks.

Sport Achievement Marks in various categories are as follows:

- **Seat Type:** Whether the candidate wants seats with regular fee only or he/she is willing to take admission in Paid Seat if the regular fee seats are full. This preference option is not available for Special Courses of Study and certain other regular/professional programmes (such as MCA on the main campus).

Note:

Give your order of preference carefully. No section of the online preference form should be left blank. If any section is left blank, it will be presumed that candidate is not interested in that option. Candidates will get another opportunity of making changes in the entries made in the Online Preference Entry Form on the day of counselling (prior to verification of documents). Admission to Paid Seats will be done after the regular fee seats are full. All those candidates who opted for Paid Seat while filling up the '**Preference Entry Form**' at the time of Counselling will be arranged in order of merit, their preference of a course (as given in preference entry form) and availability of seats. In case a candidate, who initially got provisionally admitted in regular fee seat of his/her lower preference, gets an opportunity of higher preference course/honours/honours (combinations)/ location under Paid Seat, he/she will be considered for Paid Seat for the course to migrate from his/her lower preference to higher preference.
