MAHAMANA'S CAMPUS PLAN VISUALIZED IN 1916

1.1 University at a Glance

The Banaras Hindu University (BHU), founded by Mahamana Pandit Madan Mohan Malaviyaji in 1916, is one of the most prestigious Central Universities in the country. An autonomous institution of distinction having the Hon'ble President of India as its Visitor, BHU is the largest residential University in Asia. Being a living embodiment of such visionaries as Mahamana Malaviyaji, Dr. Annie Besant and Dr. S. Radhakrishnan, this seat of learning epitomizes a synthesis of ancient wisdom and modern scientific temper. The holistic model of education, conceived and enriched by its illustrious founder, offers refreshingly new perspectives to young minds and nurtures and facilitates their creative talent.

The Founder's Vision

- "It is my earnest hope and prayer, that this centre of life and light, which is coming into existence, will produce students who will not only be intellectually equal to the best of their fellow students in other parts of the world, but will also live a noble life, love their country and be loyal to the Supreme Ruler."
- "A teaching university would but half perform its function, if it does not seek to develop the heart power of its scholars with the same solicitude with which it develops their brain power. Hence, this university has placed formation of character in youth as one of its principal objects. It will seek not merely to turn out men as Engineers, Scientists, Doctors, Theologists, Merchants, but also as men of high character, probity and honour, whose conduct through life would show that they bear the hallmark of a great university."

The University

This University was conceived as a residential University, keeping in view its objective of complete character development and thorough mentoring of students. Perhaps this is the only University in the world where courses ranging from nursery and primary school upto Doctoral/ Post-doctoral degrees are taught and pursued within a walled campus spread over 550 Hectares (1360 acres) with majestic buildings of great architectural delight. It enshrines within its precincts, a phenomenal range of teaching disciplines incorporating almost all conceivable subjects of Science, Engineering & Technology, Humanities, Social Sciences, Commerce, Law, Education, Visual Arts, Performing Arts, Sanskrit Vidya Dharm Vigyan, Agriculture, Library Science, Journalism and a large number of Indian and Foreign Languages.

There are at present 11 departments receiving support under Special Assistance Programme (5 Centres of Advance Studies and 6 Departments under DRS level I & III), 5-UGC-Innovative/TRIEA/ Other Programme and 3-DST-FIST (Fund for Improvement of Science & Technology) 5 departments/schools are supported under FIST programme of DST. It also has four colleges admitted to the privileges of the University which are located in the city. The University also runs three schools apart from having a Kendriya Vidyalaya housed in the Campus. In addition, the Rajiv Gandhi South Campus has been established in the year 2006 in a sprawling campus of 1092.6 Hectares (2700 acres) located about 75 kms away from the main campus, at Barkachha in Mirzapur district, Uttar Pradesh.

During the session (2009-10), a 10 year survey published in prestigious journal Current Science placed BHU as first among top 25 Indian Universities for publishing maximum number of research papers in indexed journals. Continuous endeavors have been made to improve the range and quality of teaching and research at BHU. 19. EVALUATION AND RESULT

There shall be negative marking in entrance tests for all Courses of study in PET. Three marks shall be awarded for each correct answer while one mark shall be deducted for each incorrect answer. Unattempted question will be awarded zero mark.

Candidate shall be selected in order of merit on the basis of aggregate marks secured in the Entrance Test provided he/she fulfils the minimum eligibility criteria and minimum qualifying marks in the test. **The minimum qualifying marks for the Postgraduate Entrance Test has been fixed as 35% for General category and Other Backward Classes and 25% for Scheduled Caste and Scheduled Tribe candidates for admission to various Postgraduate courses in the University.** However, for MPA and MFA, minimum qualifying marks for theory paper will be 35% and in the practical minimum qualifying marks will be 45%. The Merit shall be based on the sum of two components viz., marks obtained in Theory and practical tests.

For M.P.Ed.*, minimum qualifying marks in Theory Paper shall be 35% while in Physical Fitness Test it will be 45%. The merit for M.P.Ed., will be the sum of two components viz. Marks in Theory Paper and marks in Physical Fitness Test. The University reserves the right to modify the above minimum qualifying marks. If lowering down in the minimum qualifying marks is done, the merit for MFA and MPA will be computed as follows: (i) Firstly those candidates will be put in the merit list according to their combined marks who have secured the minimum qualifying marks in the theory as well as practical; (ii) After that those candidates will be put in the merit list on the basis of their combined marks in theory and practical tests who have obtained the minimum qualifying marks in the practical test but could not get minimum qualifying marks in theory.

In case of MPA and MFA, the above procedure will be applicable for candidates of all categories. Further, a candidate will be considered deemed appeared in the PET who appeared in the Theory as well as Practical(s).

Remarks: The above procedure will be applicable for candidates of all categories. Further, a candidate will be considered Deemed to have appeared in the PET who has appeared in the Theory as well as in Physical Fitness Test/Practical Test.

INTER-SE RANKING: In case of equal index in PET (for all courses), the following criteria shall be adopted for **inter-se** ranking:

- (a) Preference shall be given to the candidates who have higher aggregate percentage of marks at the Qualifying Examination. (in cases where candidates with graduation/post-graduation such as M.A. in Linguistics and M.A. in Mass Communication are eligible, the inter-se-ranking will be decided on the basis of percentage of marks in aggregate at graduation level)
- (b) In case the aggregate percentages of the marks at the Qualifying Examination are also equal then preference shall be given to a candidate who has higher marks in the concerned subject (wherever applicable). **In MCA:** In case the aggregate percentages of the marks at qualifying examination are also equal, then the candidates having Mathematics at Bachelor's level shall be considered first. If there are several such candidates, then preference shall be given to a candidate who has higher percentage of marks in Mathematics at Bachelor's level, and if these are also equal, then at Intermediate or +2 level. Lastly, candidates having Mathematics at +2 level but not at Bachelor's level will be considered similarly.
- (c) In case the candidates have equal marks in the above stated examinations, then the candidate senior in age shall be given preference.

The admission process will begin after the declaration of PET results. The admission will be done by the Admission Committees of the respective departments. The concerned Head of the Department/Coordinator will issue electronic **call letters** to the candidates for Counseling. As soon as the electronic call letters are issued, the shortlisted candidates may 'Login' **on the Candidate's segment of the Entrance Test Portal [www.bhuonline.in] for downloading the call letter. Information on issue of Call Letter will be sent to the candidate's on their registered e-mail ids/ mobile numbers. Therefore the candidates are advised to give correct e-mail addresses/mobile number for correspondence. Candidates may also note that there will be no postal dispatch of call letter.** The number of call letters will be nearly two-four times the number of seats available in the course. Admission is based strictly on merit index obtained in the Entrance Test.

NOTE: Sometimes there may be technical reasons for non-delivery of e-mails/SMS to candidates, therefore, candidates are advised to visit BHU's Entrance Test Portal (www.bhuonline.in) everyday after the entrance test results have been declared to have detailed information on counselling schedule, downloading call letters, offer of admission payment of fee etc.

Counselling Procedure:

The University will adopt computerised counseling procedure for admissions to various courses during the academic session 2019-20. The counseling procedure will involve following steps:

STEP 1: Online Preference Entry (on or after issue of Call Letter and before the Counselling Date)

Every candidate called for counseling for admission to a Course shall be required to fill up an online **Preference Entry Form which will be available and active on the on the Candidate' segment of the Entrance Test Portal [www.bhuonline.in] for online preference entry after they have received the password.** In the Preference Entry Form, a candidate is required to give his/her preference of the following:

- **Choice of Course.** This preference option is available only if admission to more than one course is done based on merit index/rank obtained in a Common Test [some of the PG programmes].
- **Preference of location** [Faculty/Department on the Main Campus or RGSC or Affiliated Colleges]. This preference option is available only if a course runs at more than one location.
- **Seat Type:** Whether the candidate wants seats with regular fee only or he/she is willing to take admission in Paid Seat if the regular fee seats are full. This preference option is not available for Special Courses of Study and certain other regular/professional programmes (such as MCA on the main campus).

Note:

Give your order of preference carefully. No section of the online preference form should be left blank. If any section is left blank, it will be presumed that candidate is not interested in that option. Candidates will get another opportunity of making changes in the entries made in the Online Preference Entry Form on the day of counselling (prior to verification of documents). Admission to Paid Seats will be done after the regular fee seats are full. All those candidates who opted for Paid Seat while filling up the '**Preference Entry Form**' at the time of Counselling will be arranged in order of merit, their preference of a course (as given in preference entry form) and availability of seats. In case a candidate, who initially got provisionally admitted in regular fee seat of his/her lower preference, gets an opportunity of higher preference course/honours/honours (combinations)/ location under Paid Seat, he/she will be considered for Paid Seat for the course to migrate from his/her lower preference to higher preference.

STEP 2: Activity on the day of Counselling

- Reach the counseling venue at the prescribed time/date given in this Call letter. Contact the Counseling Centre/Venue Incharge and mark your attendance by signing the attendance sheet available with the Counseling Centre Incharge.
- Discuss with the teachers available at the Counseling Centre/Venue about the available options of PG courses [in case common entrance test is held for admission to more than one course], locations and fee structures, availability of hostels etc. In case you want to change your preference [earlier filled up by you ONLINE], you can do at this stage. Request the

Counselling Centre/Venue Incharge for change. After preference entry form is finalised, get its printout, sign it and submit it alongwith other required original documents at the Verification Desk. **Preference Entry Form once signed and confirmed by a Candidate on the Counselling Date shall be final and shall not be changed later.** The computer will allot seats strictly in order of merit in the entrance test taking into account the order of preference filled up by the candidate and availability of seats.

NOTE: If a Reserved Meritorious candidate is called for counselling alongwith General category candidates his/her claim on seats reserved for his/her category shall remain intact.

- In case you are provisionally admitted, collect the Provisional Admission Letter from the Counselling Centre/ Venue Incharge at **10:00 am on the next day of Counseling**. The Admission letter will show the course in which you are provisionally admitted on the date of counseling, amount of admission fee (regular fee) to be paid and deadline for fee payment (**ordinarily 4:00 pm of the day following the Counseling date**). In case you are provisionally admitted to a special Course of Study or on Paid Seat, you will be required to pay the Special Course/ Paid Seat Fee in addition to regular Fee of the Course. Please checkup from the Counseling Centre Incharge about the amount, mode of payment and deadline for payment of Special Course/ Paid Seat Fee.
- **Mode of Payment of Admission Fee (Regular Fee of the University):** After the candidate has received the provisional admission letter from the Counseling Centre/Venue Incharge, he/she will have following options for payment of Admission Fee:
 - a) Online payment through credit card/ debit card through the payment gateway available on the Entrance Test portal
 - b) Payment of Fee in cash at the Fee Counters (check the location of the nearest Fee Counter at the Counseling Centre/Venue)

STEP 3: Activity on next day of Counselling date

Candidates must submit the proof of payment of admission fee to the Counselling Centre/Venue Incharge latest by 04:00 pm on the next day of the Counselling (deadline for payment of Fee). This will not be required if fee is paid Online payment through credit card/ debit card through the payment gateway available on the Entrance Test portal. In case they fail to produce the evidence/proof of payment by the said deadline, it will be presumed that he/she is not interested in the admission and his provisional admission letter shall be treated as cancelled/withdrawn.

NOTE:

- (i) After (i) each day of counselling and (ii) fee payment deadline, computerised allotment/rearrangement of seats in order of merit and based on preference of candidates and availability of seats will be done. There are chances of upward mobility of candidates in the order of preference filled up by him/her after subsequent days of counseling/ last day of counseling if the seats in the higher preferences of a candidate get vacated after he/she has attended the counseling. This will be done automatically by the computer. The final allotment will be done by the computer only after the expiry of payment deadline of the last date of counselling. Based on the preference of candidate given at the time of counseling, there could be change in course options, location and seat type (free to paid and *vice versa*). **The final allotment done in this manner shall be binding on the candidate.**
- (ii) Candidates must have in their possession all the original documents mentioned above. **However, Marksheet downloaded from the Website of the concerned examining body (subject to verification by the Admission Committee), CONFIDENTIAL MARKSHEETS or PROVISIONAL RESULTS issued by the Registrar/ Controller of Examinations of the concerned University or Secretary of the concerned Board (in case qualifying examination is of Senior Secondary level) shall also be entertained at the time of admission. Failure to pay the fees within the prescribed period given in the admission letter will result in cancellation of the allotted seat.**
